## Earn It Keep It Save It

The 'EI-KI-SI' effort is led by a volunteer committee of committed individuals from the community, chaired by Kevin Quint of Join Together Northern Nevada (JTNN).

The first two tax seasons have seen rapid growth in numbers of returns filed by volunteer tax preparers, and the amount of total dollars coming back into the community as a result. Final VITA (Volunteers Income Tax Assistance) site results for 2011: 2,336 returns were filed by VITA volunteers, total EITC (Earned Income Tax Credit) \$745,719, total Child Tax Credits of \$598,350, and Education Tax Credit total of \$72,755. **The Total Refund amount was \$2,958,771.**

The goal is on expansion for the upcoming tax year, with additional VITA sites and volunteers and completed tax returns.

“What I like most about the project is the webinar classes, wonderful resources it provides and the help I get from Corinne that is just a click away. What has surprised me the most about the project is the free web resources available to non-profits.
