**POSTING TO ANN'S SOCIAL MEDIA NETWORK**

If you need to promote an event, ANN offers several ways to do so through its own social media platforms (Facebook and Twitter) as well as the membership list available to ANN members. For more information about how to do this, visit ANN's webpage on how to post an event.

**FREE EVENT CALENDARS**

*Nevada Nonprofit News*

To post to the Nevada Nonprofit News site, simply visit their Calendar page and select "Submit your events online." There, you can enter the event's title, description, date, start and end time, and location as well as contact information for the event.

*Las Vegas Review-Journal*

To post to the Las Vegas Review Journal, one must first create a free account on the site. Click here to register your account. After you have registered, go to the main Calendar page. In the top right corner, select "add to our listings." On the next page, you can select to create your event listing.

*Las Vegas Sun*

You have to be a member to  post an event to the Las Vegas Sun site as well. To register your free account, go to the Register page and enter your email. The Sun will then send you information on how to complete your registration. After your registration, go to the Calendar page and select "Submit an event" above the small calendar. There, you can fill in the information about your event. You will need your new username and you will be asked if you would like to be emailed if the event is posted.

*Las Vegas City Life*

Las Vegas City Life actually uses the same system as the Las Vegas Review-Journal. If you post something on one calendar, it will automatically post to the other. If you have not created an account with the Las Vegas Review-Journal, you must create a free account first. That can be done here. After you have registered, go to the Events page. In the top right-hand corner, click "add to out listings." There, click "Create Event."

*Las Vegas Events on Eventful*

To post an event to Eventful, you must first sign up with them. This is free and you can do so here. After you have signed in, click "Add Event" in the upper right-hand corner. There, you can create your event listing. *Note: This is a good place to post a listing because many calendar sites that aggregate their information do so from this site.

*Nevada Gives Calendar*

No enrollment is necessary. Simply complete the form here and click "Submit". Your event will appear on the Event Calendar.
