### NEVADA BILL AB 60 & UPDATE

As proposed, Nevada's AB 60 requires every nonprofit that intends to solicit tax-deductible charitable contributions in this State to file a registration statement and financial report with the Secretary of State. It also authorizes Secretary of State to investigate whether purpose of your nonprofit is being carry out in accordance with its articles of incorporation, etc.

## BEST PRACTICE

### POLICIES

Best practices for nonprofits include having important policies internally and externally. ANN's Board of Directors recently approved a series of policies. Feel free to download these and modify them for use for your nonprofit!
